

-2012-

Heartsaver AED Training

Heartsaver AED is a 4.5 hour American Heart Association (AHA) accredited training class offered by Environmental Health & Safety which covers adult/child CPR and foreign body airway obstruction and the automatic external defibrillator (AED). Individuals who successfully complete the course will receive AHA training cards for Basic Life Support (BLS) CPR.

The AHA requires biennial CPR recertification and annual AED skills recertification. Because EHS recommends that previously qualified individuals take the full course annually to maintain CPR & AED skills, a *Heartsaver AED* “refresher” course is not offered and AHA training cards will only be offered biennially.

The class is offered on the third Thursday of every month (except Holidays) in Administration Bldg., Room 120 from 8am-12:30pm. Space is limited to a minimum of 4 with a maximum of 10 individuals per class and advance registration is required. Contact EHS to confirm class dates & times.

Scheduled training dates for calendar year 2012 are listed below:

January 19, 2012	July 19, 2012
February 16, 2012	August 16, 2012
March 15, 2012	September 20, 2012
April 19, 2012	October 18, 2012
May 17, 2012	November 15, 2012
June 21, 2012	December 20, 2012

If there are any questions or to register, please contact EHS at 410-296-7593 or at safety@towson.edu.

IMPORTANT NOTE

- **Effective January 1, 2012, all registrants will be charged a \$10 fee to help off-set the cost of CPR training materials and handouts.**
- **University employees (faculty/staff/students) registering at the direction of their department, must pay via Inter-Departmental Invoice by providing your Department's Budget (Account/Department) Codes at the time of registration.**
- **Employees registering for training for their personal use and students must pay by personal check payable to “Towson University”.**
- **Payment is due no later than the Monday prior to the scheduled class date. Payment will not be accepted after that time.**
- **If the class is cancelled due to insufficient enrollment, you will be contacted and the fee can either be refunded or credited toward a future class.**
- **If you fail to attend your scheduled training, the fee will not be refunded. However, you can request the fee be credited toward a future CPR class.**
