For the use of Intramural Officials, we charge a rate of \$20 per game, per official. The rate is non-negotiable. Officials can be paid by cash or check. If paid by cash, officials must receive compensation on the date of the event and before the start of the event. If paid by check, officials must receive the check within one month of the event. If the check is not delivered within one month, the renter will be assessed a 10% late fee per month that the check is late. By signing below, you agree to compensate the officials requested at the amount and in the manner stated above. I understand that any violation of the terms of agreement will result in the full financial reimbursement for the officials and/or the placement of a hold on my account and a referral to Judicial Affairs.
