Sport Clubs Financial Policy Statement

The Sport Clubs Organization's (SCO) Financial Policy is fashioned after the handbook, but strictly contains financial information. This policy outlines the fundraising requirements, the budgeting restrictions, the procedure for accessing funds, and the penalties for not following financial procedures.

All of these rules are implemented by the Sport Clubs Council (SCC), which meets on a weekly basis. There is a closed council meeting to discuss supplemental requests, policy violations, and to review the overall content of the Financial Policy. After the SCO meeting, there is an open SCC meeting to vote on all supplemental, assess penalties, and vote on any policy amendments.

Any club member who wishes to speak is able to do so at the open meeting, provided they have submitted their request beforehand. This allows every club member to have a voice and bring up issues for their peers to discuss.

Article A**Voting****Section 1**

The Sport Clubs Council (SCC) is responsible for the approval and spending of the Sport Clubs Organization's Miscellaneous account as well as allocating money given to the SCO according to Financial Policy guidelines.

Section 2**Extraneous Circumstances**

- A week where there is no SCC meeting Scheduled
- When the SCC is not in session (i.e. winter and summer break)

2) Emergency fund requests will first and foremost be reviewed at the discretion of the SCC, should they be capable of fully assembling or at the very least assembling enough members of the SCC to bring the matter to a vote. In the event that this is not possible, the Emergency Fund Request will then be reviewed at the discretion of the Assistance Director for Competitive Sports, acting under the authority granted in the first point of Chapter I, Article A, Section 2 of the Financial Policy.

Article A**Classification**

- 1) The Tier System classifies clubs into 5 categories. Funding is based on the tier status of each club.

Financial Penalization

Article A

SCO Meeting Attendance

At least one representative of each active club must be present at the mandatory SCO meetings. (Active clubs are those having at least 10 liabilities of eligible full participating members on file). If a club is not represented, the following penalties will be assessed:

- If a club misses four SCO meetings in one semester, it will be on “demoted status” (See below). If the 4th meeting missed is after budget allocations, the budget will be withdrawn.
- If a club misses five or more meetings, it may receive no allocations the following semester in addition to the penalties assessed for missing four meetings.
- If a club is currently inactive, it cannot be penalized for missing SCO meetings.

*Note- In the case that a Sport Club Supervisor is an active member of the club, he/she does not count as representation of that club for attendance purposes.

Article B

Budgets

- All Clubs are required to turn in a budget for each academic year.
- For clubs that do not turn in a budget, but turn in a special explanation as to why there is no budget, they will be allowed to supplement up to \$1,200.00 for each semester.
- If neither is turned in, then clubs will be put on demoted status (See below).

Article C

Demoted Status

Section 1

How to get on Demoted Status

A club will be put on demoted status for the following reasons:

- Failure to attend SCO meetings on four occasions.
- Failure to meet the minimum fundraising requirement (\$150).
- Failure to turn in a budget or special explanation.
- Misuse of financial accounts or misrepresentation of financial statements as determined by the SCC and/or Sport Club Staff. This includes club’s ownership and use of an outside bank account unmonitored by the SCO.

- Any club that misses three weekly meetings with their supervisor must go before the SCC.

Section 2

Demoted Status Consequences

- Failure to attend SCO meeting on four occasions:
 - The club may not submit a budget or loss of future budget.
 - While on demoted status, the club is only eligible for one supplemental request. They will not be allowed to request more than \$750.00; the same amount as a first semester club.
 - The club must fundraise \$150 to be removed from demoted status. (The \$150 does not count towards the current or next semester fundraising but will remain in the club's general account. Likewise, should a club be kept on demoted status for consecutive semesters, the \$150 will be kept as a "flat rate" and not rollover to other semesters. i.e.: A club will not have to pay \$300 for two semesters on demoted status.)
- Failure to meet the minimum fundraising requirement (\$150):
 - The club may not submit a budget or forfeits next budget.
 - While on demoted status, the club is only eligible for one supplemental request. The request is not a guarantee and needs to be approved by the SCC. Likewise, they will not be allowed to request more than \$750; the same amount as first semester clubs.
 - The club must fundraise \$150 to be removed from demoted status. (The \$150 does not count towards the current or next semester fundraising but will remain in the club's general account. Likewise, should a club be kept on demoted status for consecutive semesters, the \$150 will be kept as a "flat rate" and not rollover to other semesters. i.e.: A club will not have to pay \$300 for two semesters on demoted status.)
- Misuse of financial accounts or misrepresentation of financial statements as determined by the SCC and/or Sport Clubs Staff:
 - The club and/or individual(s) involved will face disciplinary action and/or financial sanctions from the SCC.
 - In the event that a club is discovered to be in possession of an outside bank account unmonitored by the SCO, the SCC will automatically assume misuse, freeze the club's SCO account, and order all club activity to cease immediately. Only with written confirmation that the unauthorized account has been closed with the club's account unfreeze and club activity resume.
 - Sanctions will be determined on a case-by-case basis.

**Under special circumstances, the SCC and/or Sport Club Staff may waive the demoted status penalty fee.

Article D

Frozen Accounts

- If receipts are not turned in within 5 business days, the club account can be frozen.
- To un-freeze the club account, outstanding receipts and/or remaining money must be submitted. Clubs who fail to do so can be sent to Office of Student Conduct and Civility Education.
- The freezing of an individual club's account may result in the freezing of the entire SCO account, preventing all clubs from using funds.

Article E

Negative Accounts

- If a club has a negative amount in their account, they cannot travel or submit a supplemental or budget until they fundraise enough money so their account is no longer in the negative.

Article F

Loans

- Clubs that have received loans cannot supplement or budget until they have paid back their loan amount.
- If the loan was given for a trip, the club may not travel after the completion of that trip until the loan is paid back through fundraising.
- If the loan was given for the use other than trips, the club may not travel until their loan is paid back through fundraising.

Article A**Suspended Clubs**

- Club accounts will be frozen for duration of the sanction period.
- If a club is suspended for the remainder of a semester, all allocated funds will automatically be reverted to the SCO Miscellaneous account.
