TRANSFER GUIDELINES**1. Petition to Evaluate the Course Equivalency of a Transfer Course:**

Immediately submit a "Petition for Acceptance of Transfer Credits" form (only used for CBE Required courses) to the CBE Student Academic Services Office, ST301. Provide a course description from the transfer institution for evaluation. (details on the form)

2. Transfer with less than a "C" (i.e., a "C-" or "D"): A grade of "C" (2.0 QPA) or higher must be earned in all courses required for the major. Repeat the course at Towson for a grade of "C" or higher. An additional 3 credits will be required for a graduation (i.e., a minimum of 123) to replace the duplication of the transfer course.**3. Validation Required:**

Validation means that another specified course in the discipline must be completed with a minimum grade of "C" for the transfer course to be applied to the major.

For example, if you transferred MKTG T41: MKTG341 is the prerequisite for MKTG445. By earning a "C" or higher in MKTG445, you will have validated the transferred lower-level marketing course and it will be accepted towards the major.

If you complete MKTG341 at Towson, it will be considered a **duplication of transfer credit** and you will need an additional 3 credits for graduation, i.e. a minimum of 123.

4. Transfer Credit Policy:

Transfer students must complete at least 30 hours of upper-level credits in CBEC/BUSX, EBTM, ECON, FIN, MKTG, and MNGT at Towson for the BUAD major.

5. Course Requirements: A BUAD major who does not meet the 2.0 QPA or completes the lower-level core requirements, and enrolls in an upper-level BUAD (CBE, EBTM, ECON, FIN, MKTG, or MNGT) course without written approval by his/her advisor, will be disenrolled from the course.**Recommended Course Sequencing for the Combined Major in BUAD/CIS:**
