TRANSFER GUIDELINES

1. **Petition to Evaluate the Course Equivalency of a Transfer Course:**

Submit a "Petition for Acceptance of Transfer Units" for a CBE Course form to the CBE Student Academic Services, ST301 before you register for the next semester. Provide a course description from the transfer institution for evaluation (details on the form).

2. **Transfer of a required course with less than a "C": (i.e., a "C-" or "D+" or "D")**

A grade of "C" (2.0 QPA) or higher must be earned in all courses required for the major. Repeat the course at Towson for a grade of "C" or higher.

3. **What does "Validation Required" mean?**

A course taken at the lower level (100-200) at a community college or four-year educational institution is not equivalent to a TU upper-level course. In order to fulfill an upper-level major course requirement, the content of the transfer work must be validated. A transfer course requiring validation is identified with a "T" instead of the 300-number code, e.g., MKTG T41 for MKTG 341, MNGT T61 for MNGT 361, etc.

How to Validate: Complete an advanced course as specified below with a grade equivalent of 2.0 or higher at TU.

Transfer Course	Validate with
FIN T31	FIN 332 or 333
MKTG T41	MNGT 481
MNGT T61	MNGT 481
MNGT T81	MNGT 421 or 451

Validate the transferred course, don't repeat it. If you enroll in a course with the same course content as the transferred course, the units earned in the transfer course will not count towards graduation because it will be treated as a repeat.

4. **Transfer Credit Policies:**

Transfer students must complete at least 30 hours of upper-level units in BUSX, EBTM, ECON, FIN, LEGL, MKTG, and MNGT at Towson for the BUAD major. Only **"one"** transfer course will be accepted for a Concentration/Track.

REQUIREMENTS for ADMISSION to the EBUS MAJOR:

- A minimum cumulative quality point average (QPA) of 2.0 or higher for all coursework.
- A minimum quality point average (QPA) of 2.70 for ALL seven lower-level BUAD Core prerequisites, with a minimum grade of 2.00 or higher in each of the lower-level BUAD Core prerequisites.
- Successful completion of the Computer Proficiency Exam with a passing grade or higher.
