

Online Prerequisite Checking - Prerequisites are checked when you register for CBE courses.

If you will not have 60 units at the end of this semester, read #3 Verify Class Rank below BEFORE attempting to enroll in courses requiring JUNIOR class rank.

1. Verify Your Course Prerequisites

Check your Degree Progress Report to make sure you have completed the prerequisites for the course(s) in which you intend to enroll. Each prerequisite must match exactly. Otherwise, the checking system won't recognize it. You won't be able to register for the class.

If you transferred in a prerequisite: Your transcript should show the TU equivalent as the prerequisite. If your transcript does not show a TU equivalency for a transferred prerequisite course, you need to submit a "Petition for Acceptance of Transfer Credits for CBE Major/Minor" form to CBE Student Academic Services.

If you are currently enrolled in a prerequisite: You are allowed to register on the condition that you complete the prerequisite with a "C" or higher grade. If you do not pass the prerequisite course, you must drop the class requiring this prerequisite or you will be **disenrolled**. Repeat the prerequisite course next term.

2. Verify Your Major - Your current major is printed in the top section of your Degree Progress Report.

If you are a Pre-Business or Pre-E-Business or Pre-Accounting in the "pending" admission category, you are eligible to register in an upper-level CBE course on the condition that you will meet all admission requirements by the end of the term. If you do not, you will be **disenrolled from the upper-level CBE course**.

3. Verify Your Class Rank - If your total units (credits) plus the units you are enrolled in are between 60 and 90, you are eligible to register for "Juniors" courses.

If you are a Sophomore who will have at least 45 units at the end of this term and you are either a ACCT, BUAD, EBUS, or ECON major or have "Pending" admission status for a pre-major [Pre-Accounting, Pre-Business Administration or Pre-E-Business], you are eligible for an EXCEPTION to register for "Junior" courses. AFTER your scheduled Registration Appointment, go to the department listed on the chart below to receive the "Special Permission" code. Be prepared to provide the department with the course number and section in which you want to enroll along with your current Degree Progress Report. (Highlight all prerequisites on the Degree Progress Report.)

Solve A Registration Problem: If you see an "ERROR" message, you are not registered. Click on "ERROR" to find out the reason.

When addressing registration issues with the department: Present your Degree Progress report. Highlight the grade for each prerequisite course, your total units, and current major.
