

Form D: New Program (Submit 20 Copies)*
University Curriculum Committee

The _____ College Curriculum Committee at its meeting of _____,
(mm/dd/yy)

has approved the following new program and now requests the approval of the University Curriculum Committee (for undergraduate programs) or the Graduate Studies Committee (for graduate programs). Approved programs will be sent to the University Senate Executive Committee for inclusion on the next Senate agenda. Programs not approved will be returned to the organizing Department.

Signature of the Chairperson of the College Curriculum Committee _____

Date: _____

* A new Program requires MHEC approval and begins with a Declaration of Intent (DOI) and consultation with the department's/college's Dean and the Provost's Office. A new program that involves more than one Department or College must include a statement that addresses the ramifications for all affected Departments and Colleges. The statement must include e mails from those Departments and/or Colleges as affirmation of their understanding and acceptance of the new program as it applies to their unit(s).

Attach to this form the following information:

Program as it would appear in Catalog
See Description in the Proposal, pps. 5-6

For Committee Use Only
