

## UNIVERSITY CURRICULUM COMMITTEE

September 12, 2011

The next meeting of the 2011/2012 University Curriculum Committee will be held on Monday, September 12, 2011, at 3:30 p.m. in Cook Library's Towson Room (Cook 507, fifth floor).

### AGENDA:

- 1) Election of a Chairperson
- 2) Review of Minutes of May 9, 2011
- 3) Review of the Annual Report
- 4) Proposed Changes by the Department of Accounting. The Department would establish 3-2 and 4-1 accelerated Bachelors/Masters programs to encourage a seamless transfer of accounting students. The registrar explained that the documentation needs to be rewritten to match other similar programs and a clean copy needs to be submitted to the UCC. The motion was tabled until September. – Dr. Norma Hotter
- 5) Program Change Proposal from the Department of Family Studies and Community Development. Appropriate courses were moved from track requirements to department core requirements to meet the MHEC definition of a track. Two track names have been changed; one course (FMST 2XX) added; two (ECED210 & ECED315) moved from required to recommended; and one removed (FMST497). It is recommended that those pursuing the Leadership in the Nonprofit Sector Track consider a minor in Business Administration. Approval was tabled until September pending a clean copy including adjustment of unit credits. – Dr. Karen Eskow
- 6) Proposed Changes to the Major in the Department of Kinesiology to the Program in Athletic Training Concentration - S. Maggie Reitz
- 7) Proposed Changes to the Major in the Department of Kinesiology to the Program in Exercise Science Concentration – S. Maggie Reitz
- 8) Program Change Proposal from the Interdisciplinary Studies Program regarding the International Studies Tracks vs. Concentrations – Dr. James DiLisio

- 9) Program Change Proposal from the Department of Electronic Media and Film to the Special Topics courses – Greg Faller
- 10) Revisions to Forms C and D – Aileen Trainer
- 11) The UCC is considering a new form: The Statement of Library Resources required to Support Courses and Programs. This form would ensure that the library has the resources to support any changes to programs. The Library Liaisons know the collections in their areas and can get cost estimates for additions. The Senate would have to act as a result. The form is needed, but the UCC worries that it will slow the curriculum process down even more.
- 12) Date of next UCC Meeting: October 10, 2011
